**Bickham House and Cottage Garden and Cadhay House and Garden
Day trip by coach on Wednesday 26th June 2019**

Bickham House and Cottage Garden

We visit these adjacent gardens that lie in a private valley under the Haldon Hill. Bickham House has a seven-acre garden with colour co-ordinated borders, mature trees, a fernery and a water garden. There is a formal parterre complete with a lily pond. The walled garden is full of flowers and vegetables. A palm avenue leads to a summerhouse.

Bickham Cottage is divided into separate areas, which include a lawn surrounded by colourful borders, a stream and a pond with large koi carp. The front garden contains a selection of South African bulbs and plants.

Tea/coffee and biscuits will be served on arrival, included in the price.

Members can buy their own lunch at Otter Nurseries, Ottery St Mary.

Cadhay House and Garden

Members who wish can enjoy a tour of this magnificent Elizabethan manor house built in 1550.

The garden is an oasis of calm and tranquillity, full of colour, and includes a 120ft herbaceous border walk, which is informally planted with cottage garden perennials and annuals. There are roses, clematis, lilies, eremurus and lunaria. Two medieval fishponds are surrounded by gunnera, hostas and flag iris. The walled garden has been turned into allotments.

Tea will be provided for members, before we leave, included in the price.

Please note that the Cornwall Garden Society does not carry travel insurance for members, and cannot accept liability for personal injury and consequential loss sustained during the course of an outing.
