**National Trust Coleton Fishacre and Middle Well
Day trip by coach on Tuesday 7th July 2020**

National Trust Coleton Fishacre gardens were created by the D'Oyly Carte family in the 1920s. Exotic and tender plants thrive in this sheltered valley and the garden is RHS accredited. The more formal terraces and gardens surrounding the house give way to wilder areas of hydrangeas and tree ferns lower down the valley with access to the South West Coast Path via a gate.

Members can buy their own refreshments in the café.

Middle Well is a tranquil two-acre garden containing a wealth of plants chosen for colour and long season interest. Streams, woodland, shrubs, a mix of perennials and a vegetable garden provide much to explore.

Tea will be provided, included in the price.

Travel Insurance

Please note that the Cornwall Garden Society does not carry travel insurance for members and cannot accept liability for personal injury and consequential loss sustained during the course of an outing.

If you do not already have relevant travel insurance cover, it is strongly recommended that you take out comprehensive travel insurance in relation to the trip that you are booking to cover, in particular, cancellation, medical and incidental expenses in the event of illness or injury, and personal accident. Such insurance is readily available, irrespective of age, from travel agents or online from a variety of providers such as P J Hayman & Co Ltd Coach Plus (02392 419855) and Global Travel Insurance Services Ltd (01903 235042).
