As usual, there will be two groups, one starting at Bonython Estate Gardens and one at Cross Common Nursery. Confirmation, directions, starting venue and further information will be sent out by Thursday 28th May 2020. To reserve places please complete the form on the next page.

10.30am Meet at Bonython Estate Gardens, Cury Cross Lanes, Helston TR12 7BA.

Bonython Estate Gardens is one of the Great Gardens of Cornwall. 20 years in the making, the gardens at Bonython have matured to provide pleasure in all seasons. The Walled Garden contains an established colour-themed herbaceous border, which is a delight in June. The Potager is always interesting with its range of cut flowers, vegetables and herbs, whilst the valley garden offers abundant interest with three lakes and several streams, all with themed planting.

2.30pm Meet at Cross Common Nursery, The Lizard, Helston TR12 7PD.

Cross Common Nursery is a small family-run nursery. A unique find, it offers a huge range of plants from the tropical, exotic and unusual to more hardy specimens that thrive in the coastal garden. Citrus plants are a speciality, about which the owner will share some advice during the visit.

Unfortunately no dogs are allowed at either location. Partial disabled access.

Cost, including refreshments in the morning and afternoon.
