## PLEASE RETAIN THIS SECTION FOR YOUR INFORMATION

There will be two groups of up to 30, one starting at Botallick and the other at South Bosent. If you wish to be with particular people, please indicate when booking and I will try to accommodate you.

### 10.30am: Meet at Botallick, Lanreath, Looe PL13 2PF.

Started in Spring 1994, Botallick is a spring woodland garden with an extensive collection of magnolias, camellias and rhododendrons spread over four acres. It also includes an orchard stocked with Cornish varieties and wild flowers. The Bucknell family often exhibit blooms in the Competitive Classes at the Spring Flower Show.

**Directions:** Turn south off the A390 at Middle Taphouse and head initially towards Boconnoc, however continue straight on, through two junctions and after Pigscombe, turn right at the next junction and then almost immediately take the right slip down the drive to Botallick. SatNav will probably work.

### 2.30pm Meet at South Bosent, Liskeard PL14 4LX.

Sisters, Adrienne and Trish are developing South Bosent with wildlife in mind. It comprises several themed gardens, woodland plantings, large mixed borders and a four-acre meadow. Other features include a mini-lake, waterfall and rill on the terrace and several plant collections, all designed to provide year-round interest. Along with thousands of planted bulbs throughout the garden, a bluebell wood runs alongside the stream pathway.

**Directions:** 2.5 miles West of Liskeard. From the roundabout at the junction of the A390 and the A38, take the turning to Dobwalls. At the mini-roundabout in the village, turn right toward Duloe. After 1 mile at the crossroads, turn right. South Bosent is on the left after a quarter of a mile.

**Dogs on leads at both locations. Partial disabled access only at both gardens with hilly areas and, potentially, some slippery slopes.**

### Cost, including refreshments in the morning and afternoon
