

Payroll Giving

It costs you less to give more

 **Charitable Giving**
we make giving easy

1

Choose your charities and decide how much you wish to pledge each payday

2

Complete our online Donation Choice Form (or PDF form) to confirm your instructions

3

That's it! Once your deduction starts, your employer will send us the payment and we distribute the funds to your chosen charities!

Choose Payroll Giving

Tax Efficient

Deductions are taken straight from your pre-tax pay so you receive instant tax relief! E.g. a £5 deduction only 'costs' a standard taxpayer £4 and for a higher rate taxpayer it's just £3!

Share the Support

You can split your donation between as many eligible charities as you wish!*

Safe and Secure

We forward your donation to your chosen charities, so you don't have to set up multiple payments yourself or share any bank details.

No Pressure

Choose to stop or amend your deduction at any time or make a one-off donation if preferred!
