HIGHEST PRICE BULLOCK

Auctioneer – Andrew Body

Despite only a few prime cattle being prior notified, a reasonable number forward which included mainly dairy crosses with fewer single suckled types, but all keenly contested by the competitive buyers in attendance. Truro's averages well in excess of the South-West Regional Market Averages as shown below. Topping at **224p/kg** was a shapely Limousin x steer from Messrs F T & F M Johns of Cury, Helston purchased by David King of Exeter. Best value at **£1,473** was for a good weight (**685kg**) Limousin x heifer for Mr & Mrs J A Morpew of St Ervan selling at **215p/kg** to R J Trevarthen Ltd of Roskrow.

CULL COWS - Auctioneer – Andrew Body

Again, as in the prime cattle section, only a handful of cull cows were entered prior to Wednesday. It would be helpful to have more accurate numbers notified so that buyers can be informed and can plan transport arrangements.

A good entry in the end of 45 cull cows and bulls sold on a strong trade as numbers may perhaps start to diminish as housing time nears. A smart beef Shorthorn x from William Martin of Coombe lead the way at **159p/kg** and purchased by David King of Exeter.

Two Limousin bulls from Paul Julian of Summercourt sold well, one at 7 years old and **110kg** bought by David Ellis of Lelant, St Ives for **123p/kg** and the second, only 22 months old at **160p/kg** to Dawn West Devon of Hatherleigh.
