The average male giraffe is 4m high. How many giraffes would be needed to reach the top of Victoria Tower, which is 76m high?

The story of NOAH'S ARK

Noah lived a very long time ago. God spoke to Noah and told him to build a big boat called an _____. When it was finished God told Noah to take _____ of each kind of animal and put them inside. God sent the _____ for forty days and nights. When it stopped raining, Noah sent a dove to see if there was any dry land. The dove returned with an olive branch. A short while later Noah sent the dove again, and this time it did not return. Noah and his family got off the ark and thanked _____ for saving them. Then God made a promise that he would never flood the world again. To remind us of his promise he sent a _____.

WHAT DO YOU THINK?

Do you think wild animals are as special as pets?
 If you could save only four creatures, what would they be and why?
 If God were an animal, what kind of animal would he be?
 Do you think that animals should be treated in the same way as people?
