Safeguarding

We are committed to safer recruitment and as part of the Diocese of Truro uphold its policies in this area. ALL new staff will be asked to undertake the Church of England online Safeguarding awareness course (C0). Depending on the role, it may also be necessary to complete further levels of safeguarding training and a criminal records check (DBS). The cathedral will organise these as necessary and liaise with the new staff member to arrange.

All policies can be found at <http://www.trurocathedral.org.uk/about-us/governance-and-chapter/policies> If you do not have access to the internet, please let us know and we can provide you with a printed version of the policies.

To comply with current national regulations, please provide the names of two referees + **contact details - email address is preferred**). Suitable referees will include former employers, teachers etc. (this does not include family).
